6th September 2017

Dear Parent / Guardian

Your child is studying for a BTEC First Award in Engineering. As part of this qualification they will need to produce a large portfolio of work in the preparation and completion of assignments along with the online examination.

There is a textbook produced by the examination board to compliment the course that will help them achieve the maximum benefit from the course. The text book covers every unit in detail along with revision tips and best practice when completing assignments, furthering their chances of success.

If you are interested in purchasing the textbook, then please complete and return the slip below along with the £25.00. Cheques should be made payable to St. Patrick's Catholic College. All monies should be returned to Mrs. Kendal in the Finance Office. If your child is eligible for the Pupil Premium allowance, then this cost can be taken from this, in which case, please indicate this on the reply slip below.

Thank you for your support

Yours sincerely

Mrs C Greathead
Head of Design and Technology

Pupil Name:

I wish my son/daughter to obtain a BTEC FIRST Award Engineering textbook for the sum of £25.00 and I enclose this sum.

I wish my son/daughter to obtain a BTEC FIRST Award Engineering textbook from their Pupil Premium allowance.
