Dear Parent/ Carer

**REF: LIFE Charity visit – Tuesday 26 September 2017**

The *Life Charity* is unique in the UK. Its aim is to create a just society which has the utmost respect for all human life from the point of conception. It is involved in education with a view to promoting the value of human life and supporting those who may find themselves facing difficult choices regarding life issues. They are fully in line with the teachings of the Catholic Church.

During their visit, they will speak to Year 10 pupils regarding *Abortion*. This will be a thought provoking and sensitive discussion about abortion, involving real-life cases, the abortion law, the development of the baby in the womb and the pro-life position on Abortion.

As a school, we have a responsibility to ensure that all our young people are able to make sound judgements regarding sensitive life issues. Should you have any concerns about your child being involved in this presentation, you will need to let Mrs Fisk, Pastoral Administrator, know before the event.

Yours sincerely

Mrs C M Humble
