15 September 2017

Dear Parent/ Carer

REF: LIFE Charity visit – Tuesday 26 September 2017

The *Life Charity* is unique in the UK. Its aim is to create a just society which has the utmost respect for all human life from the point of conception. It is involved in education with a view to promoting the value of human life and supporting those who may find themselves facing difficult choices regarding life issues. They are fully in line with the teachings of the Catholic Church.

During their visit, they will speak to Year 9 pupils regarding *Relationships*, identifying healthy relationships discussing the media's influence on relationships; respect for self, considering what makes us truly happy, the place for sex within relationships, and possible consequences of sexual relationships. There will be some reference to *Sexually Transmitted Infections* and there are some graphic slides regarding these.

As a school, we have a responsibility to ensure that all our young people are able to make sound judgements regarding risky behaviours. Should you have any concerns about your child being involved in this presentation, you will need to let Mrs Fisk, Pastoral Administrator, know before the event.

Yours sincerely

Mrs C M Humble
Headteacher
