

Year 7 Assessment Plans 2017

Assessment Point 1 (AP1):

The assessment point 1 data collection deadline for staff is Tuesday 31st October. Most assessments for AP1 will take place during the last week of Autumn half term (Monday 16th – Friday 20th October). AP1 data reports are to be issued to students Friday 3rd November, to take home to parents/carers.

Subject:	When assessment will take place:	What students will be assessed on:	How students will be assessed:	Grades available for this assessment:	How students can prepare/revise for this assessment:
Art	First Lesson in September	Drawing skills – Baseline Focus AO3 of AQA Assessment Criteria	30-minute drawing to assess understanding of the formal elements. No guidance given.	0-9	N/A
	Ongoing Test – w/c 16/10/17	Formal Elements Project sketchbook work. Drawing test – A comparison test from lesson 1, using the same object. Focus AO3/2 of AQA Assessment Criteria	Test piece and ongoing sketchbook work.	0-9	Key areas for focus outlined. Recap of the lessons covered. Good and bad examples available and discussed.
Computing	On entry – baseline test.	Baseline – Algorithms, Data Representation, Hardware & Processing, Networks, programming and IT	Baseline written assessment	Baseline covers all strands of computer science progression pathways, not graded.	Information from their books
	End of unit assessment E-Safety. w/c 16/10/17	E- Safety unit – cyberbullying, online friends, profiles, digital tattoo, code breaking	E-Safety end of unit assessment of their choice	E-Safety Grade 1 in Communications & Networks.	
English	w/c 16/10/17	How does the poet make Beowulf seem heroic.	Reading assessment (ao1,ao2,ao4)	0-9	Revise class notes. Practice PEE skills and re-read the key texts.
French	w/c 16/10/17	C'est perso" likes and dislikes/survival kit/describing yourself	End of unit test. "C'est perso" Listening / speaking (ongoing in class / reading and writing tasks)	0-2	Weekly vocabulary tests (differentiated), vocab man to use to check our learning style, weekly written homework,

		/talk about other people/ using the present tense.			"Planètes phoniques" to practice pronunciation, Linguascope website, Memrise, responding to feedback in books
Food Technology	Ongoing	Deli salad design task and practical (bridge + claw, understanding of ingredients)	Ongoing class work. Practical design task.	0-9	Revisiting class work
Geography	w/c 16/10/17	Map Skills	Ongoing class work. Test on Map Skills	0 to 2+	Practice Exam Questions
History	w/c 16/10/17	The Romans, Inference, Describe and Explain questions	Ongoing class work. Test on the Romans.	0 to 2+	Practice Exam Questions.
Mathematics	w/c 16/10/17	Term 1 AQA question paper	Test	0-5	Use Mymaths, Big Brain Maths, Kerboodle, revision guides, notes from exercise book, past papers, term tests HL revision.
PE	w/c 16/10/17	Baseline multiple sports - practical	Ongoing assessment	0-9	Practice skills learnt in lessons
RE	w/c 11/09/17	Baseline (Intro to Catholic School)	Assessing prior knowledge	0-3	Revision is not necessary for this task but pupils can improve their grade by responding to feedback
Resistant Materials Technology	Ongoing	Research task – wooden box	Ongoing class work. Research analysis task	0-9	Revisiting class work
Science	Ongoing – End of chapter tests	Cells Topic	Exam Style Questions	0-6	Resources will be provided via show my homework. These will be in the form of videos, web-links and printable resources. Students should also use their exercise books to review key content and past paper questions they have previously attempted

Textiles Technology	Ongoing	Sewing machine basic skills (including driving test) + applique sample	Ongoing class work and practical	0-9	Revisiting class work
------------------------	---------	--	----------------------------------	-----	-----------------------

Assessment Point 2 (AP2):

The assessment point 2 data collection deadline for staff is Tuesday 23rd January. Most assessments for AP2 will take place during the week of Monday 15th – Friday 19th January. AP2 data reports are to be issued to students Friday 26th January, to take home to parents/carers.

Subject:	When assessment will take place:	What students will be assessed on:	How students will be assessed:	Grades available for this assessment:	How students can prepare/revise for this assessment:
Art	Ongoing Drawing Test Project Deadline 19/01/18	Completed Formal Elements project and final assessment drawing	Ongoing sketchbook work and assessment drawing. An average grade given on test and sketchbook work.	1-9	Ongoing support and guidance given during lesson, personal targets set regularly to improve, peer and self-assessment, good and bad examples available and discussed
Computing	Autumn 2	Unit of work – Computer Scientist	End of unit written assessment	Grade 3+ Algorithms	Follow the structure of the example set in lessons
English	w/c 11/12/17	Write and present a formal speech, persuading men not to join the War (Private Peaceful)	Writing assessment (ao5, ao6)	1-9	Revise key writing skills and rhetorical devices
French	w/c 08/01/18	“Ma zone”. Talking about town / village. /Use il y a and il n’y a pas de Difference between “tu and vous”/ where you go / asking questions/ saying what you can do in town	End of unit test. “Ma zone” Listening / speaking (ongoing in class / Reading and writing tasks)	Grades: maximum grade available is a 2 for all skills. (F+)	Weekly vocabulary tests (differentiated), vocab man to use to check our learning style, weekly written homework, “Planètes phoniques” to practice pronunciation, Linguascope website, Memrise, Responding to feedback in books
Food Technology	October – 22 nd January	Analyse existing product (soup) + ratatouille practical (safe use of the hob, sharp knives and to measure liquids accurately)	Ongoing class work and practical	1-9	Class work
Geography	Prior to AP2	Plate tectonics assess and explain question on either volcanoes or earthquakes	Report on average attainment + Class work + Home learning + AP1 result (9-1)	0 to 2+	Exam Practice Questions

History	Prior to AP2	William's England Inference, Describe and Explain question	Report on average attainment + Class work + Home learning + AP2 result (9-1)	0 to 2+	Exam Practice Questions.
Mathematics	08/01/18	Term 2 AQA question paper	Test	1-5	Use Mymaths, Big brain maths, Kerboodle, Revision guides, Own notes from exercise book, past papers/tests. Kerboodle Term Tests HL Revision
PE	w/c 15/01/18	Football/Netball/Trampoline/Fitness	Ongoing assessment	1-9	Practice
RE	First week back after half term	Introduction to a Catholic school	Extended piece of writing reflecting on unit 1	0-3+	Revision in school and at home
Resistant Materials Technology	October – 22 nd January	Design work – wooden box	Design task is an assessment Ongoing class work	1-9	Class work
Science	Ongoing (end of chapter tests)	Cells, Forces, Particles	Exam Style Questions	0-6	Resources will be provided via show my homework. These will be in the form of videos, web links and printable resources. Students should also use their exercise books to review key content and past paper questions they have previously attempted
Textiles Technology	October – 22 nd January	Mini monsters design task + practical task	Design task is an assessment Ongoing class work and practical	1-9	Class work

Assessment Point 3 (AP3):

The assessment point 3 data collection deadline for staff is Tuesday 24th April. Most assessments for AP4 will take place during the week of Monday 16th – Friday 20th April. AP4 data reports are to be issued to students Friday 4th May, to take home to parents/carers.

Subject:	When assessment will take place:	What students will be assessed on:	How students will be assessed:	Grades available for this assessment:	How students can prepare/revise for this assessment:
Art	Ongoing Project Deadline 28/03/18	Completed Formal Elements project and colour in Landscape AO1/3 Observation recording Understanding of colour theory, mixing and application and the work of other artists	Ongoing sketchbook work and final painting. An average grade of 2 completed projects.	1-9	Ongoing support and guidance given during lesson. Personal targets set regularly to improve Peer and self-assessment. Good and bad examples available and discussed
Computing	Spring 1	Under the hood unit of work	Written assessment	Grade 1 Hardware & Processing Grade 4 Hardware & Processing	From their books revise: Parts of the computer and their purposes. How data is collected Input and output devices. Storage devices Fetch Decode and Execute cycle
English	w/c 26/02/18	Reading poetry across cultures response	Reading assessment (ao1, ao2, ao3, ao4)	1-9	Re-read the poems and revise essay writing techniques
French	W/c 19/03/18	“Mes passes-temps”. Computers and mobiles/ -Er verbs/ talking about which sport you play/ talking about activities / verbs FAIRE / saying what you like doing and also what other people lie doing / using ils and ells.	End of unit test. “Mes passe temps” Listening / speaking (ongoing in class / Reading and writing tasks	Grades: maximum grade available is a 2 for all skills. (F+)	Weekly vocabulary tests (differentiated), vocab man to use to check our learning style, weekly written homework, “Planètes phoniques” to practice pronunciation, Linguascope website, Memrise, Responding to feedback in books, intervention for small groups

Food Technology	23 rd January – 23 rd April	Pizza toast practical, Protein fact page, product analysis (muffins) + muffin design task	Ongoing class work and practical Design task is an assessment	1-9	Class work
Geography	Prior to AP3	Urbanisation explain and describe questions	Report on average attainment + Class work + Home learning + AP1 result (9-1)	0 to 2+	Exam Practice Questions
History	Prior to AP3	Medieval England Inference, Describe and Explain question	Report on average attainment + Class work + Home learning + AP3 result (9-1)	0 to 2+	Exam Practice Questions
Mathematics	26/03/18	Term 3 AQA question paper	Test	1-5	Use Mymaths, Big brain maths, Kerboodle, Revision guides, Own notes from exercise book, past papers/tests. Kerboodle Term Tests HL Revision
PE	w/c 23/04/18	TableTennis/Rugby/Dance/Hockey/Basketball	Ongoing assessment	1-9	Practice
RE	First week after February half term	Forgiveness	Evaluation question	0-4	Provide pupils with a structure then they can revise content at home using notes in class
Resistant Materials Technology	23 rd January – 23 rd April	Wooden box practical	Ongoing class work and practical	1-9	Class work
Science	Ongoing (end of chapter tests)	Cells, Forces, Particles , Mixtures, Magnets & Electricity	Exam Style Questions	0-6	Resources will be provided via show my homework. These will be in the form of videos, web links and printable resources. Students should also use their exercise books to review key content and past paper questions they have previously attempted

Textiles Technology	23 rd January – 23 rd April	Mini monster finished practical + bags of fun design task	Ongoing class work and practical Design task is an assessment	1-9	Class work
------------------------	--	--	--	-----	------------

Assessment Point 4 (AP4):

The assessment point 4 data collection deadline for staff is Tuesday 3rd July. Most assessments for AP4 will take place during the week of Monday 25th June – Friday 30th June. AP4 data reports are to be issued to students Friday 5th July, to take home to parents/carers.

Subject:	When assessment will take place:	What students will be assessed on:	How students will be assessed:	Grades available for this assessment:	How students can prepare/revise for this assessment:
Art	Ongoing Project Deadline 25/06/18	Completed Formal Elements project, Colour in Landscape and Exploring Fish AO1/3 Observation recording Experimentation of media Understanding of different Medium Clay – textures, attachment and decoration	Ongoing sketchbook work and final painting. An average grade of 3 completed projects.	1-9	Ongoing support and guidance given during lesson Personal targets set regularly to improve Peer and self-assessment Good and bad examples available and discussed
Computing	Summer 1	Draw & Manipulate shape unit of work	Classwork – creation of a pattern using code in scratch and logo	Grade 1 Algorithms Grade 4 Algorithms	Revise angles of shapes Revise co-ordinates Practice scratch using the internet Practice Logo using the internet
English	w/c 14/05/18	Portfolio of writing for different purposes and audiences	Writing assessment (ao5, ao6)	1-9	Re-draft first drafts of writing tasks completed during the lesson, applying peer and teacher assessment comments
French	w/c 25/06/18	“Mon collègue”. School subjects / asking questions / opinions and reasons / agree and disagree / describe the timetable / 12-hour clock / school day / food / using du/dela / des and de l’	End of unit test. “Mon collège” Listening / speaking (ongoing in class / Reading and writing tasks	Grades: maximum grade available is a 2 for all skills. (F+)	Weekly vocabulary tests (differentiated), vocab man to use to check our learning style, weekly written homework, “Planètes phoniques” to practice pronunciation, Linguascope website, Memrise, Responding to feedback in books

					+ Intervention for small groups.
Food Technology	23 rd April – 2 nd July	Breakfast muffin + brownie practical's.	Ongoing class work and practical	1-9	Class work
Geography	Prior to AP4	Changing Britain explain and describe questions	Report on average attainment + Class work + Home learning + AP1 result (9-1)	0 to 2+	Exam Practice Questions
History	Prior to AP4	The Tudors Inference, Describe and Explain question	Report on average attainment + Class work + Home learning + AP4 result (9-1)	0 to 2+	Exam Practice Questions
Mathematics	18/6/17	Kerboodle End of term tests Book B sets 1-4, Book A set 5, 2 Papers	Test	1-5	Use Mymaths, Big brain maths, Kerboodle, Revision guides, Own notes from exercise book, past papers/tests
PE	w/c 02/07/18	Athletic/Cricket/Softball/SummerSports	Ongoing assessment	1-9	Practice
RE	Between may half term and data deadline	Whole year review	End of year test	0-4	Class and home revision
Resistant Materials Technology	23 rd April – 2 nd July	Wooden box practical	Ongoing class work and practical Evaluation for wooden box	1-9	Class work
Science	Ongoing + AQA Assessment 2	Cells, Forces, Particles , Mixtures, Magnets & Electricity, Periodic Table, Reproduction	Exam Style Questions AQA KS3 Skills Assessment	0-6	Resources will be provided via show my homework. These will be in the form of videos, web links and printable resources. Students should also use their exercise books to review key content and past paper questions they have previously attempted

Textiles Technology	23 rd April – 2 nd July	Bags of fun practical	Ongoing class work and practical	1-9	Class work
------------------------	--	-----------------------	-------------------------------------	-----	------------
