5<sup>th</sup> February 2018

Dear Parents/Carer

### **GCSE Options Information Evening – Thursday 15<sup>th</sup> March 6:00pm**

I am delighted to invite all parents/carers of our Year 8 students to our Options information evening on Thursday 15<sup>th</sup> March. The evening will begin at 6:00pm with a presentation on how the Options process works.

Teaching staff from each subject area will be in attendance to answer any questions that you might have regarding what individual subjects involve. This is a very important stage in your child's school career and it is essential that all students make the correct choices to ensure future success in school and beyond. As a result of this I strongly urge you to attend the evening as the information available will be extremely valuable to ensuring future success.

You will find the Option brochure, that gives information on all of the courses available at GCSE, with your child's Y8 written report. I would recommend that you read through the brochure and your child's written report prior to the information evening. Please bring the Option brochure with you to the information evening. An electronic copy is also available to download from the student section of the school website.

Students will receive their copy of the Option selection form at the information evening. The Option selection form should be handed back to me, by not later than Monday 19<sup>th</sup> March.

If you have any questions or concerns regarding the Options process, don't hesitate to contact the college.

Yours faithfully

Mr. I. Waite  
Deputy Headteacher
